

THE IMPULSE! ADVENTURE

Dear Friends,

When I look back on the past fifteen years, watching the Impulse! collection grow and grow, the one word that comes to mind is "ADVENTURE." The friendships that have been made, the cities, countries, towns and villages visited, materials explored, color combinations considered... the ride has been so much more fascinating that I had ever envisioned when I launched the business out of my garage — largely on a whim. I realize that luck has played a huge part in our success, but I also am mindful of how very much can be accomplished when a spirit of adventure and an unbound willingness to embrace risk comes into play. Adventure is what drives us all to explore new opportunities and push ourselves into places, settings and experiences that are perhaps outside of our comfort zone. And I love watching this sense of adventure, playfulness and a willingness to explore jump into every aspect of our product development work on a daily basis.

As I say every year when we launch a new catalogue, I am so proud of all that we have pulled together. I love the colors, materials and finishes. I am captivated by the range of personalities that permeate every piece in our collection. And nothing brings greater joy than seeing our items - large or small - in use and making an impact on peoples' lives. If we make just one family get-together a little more special, if we can brighten up a hotel room in some small way... if we can help our clients serve their guests in memorable style and somehow help create fantastic memories, we have done our job!

Please enjoy browsing the pages that follow. And thank you so very much for bringing us into your world. I hope that you enjoy your adventure - and I hope you make it very much your own, in a colorful, spirited, vibrant and indulgent way.

Safe travels,

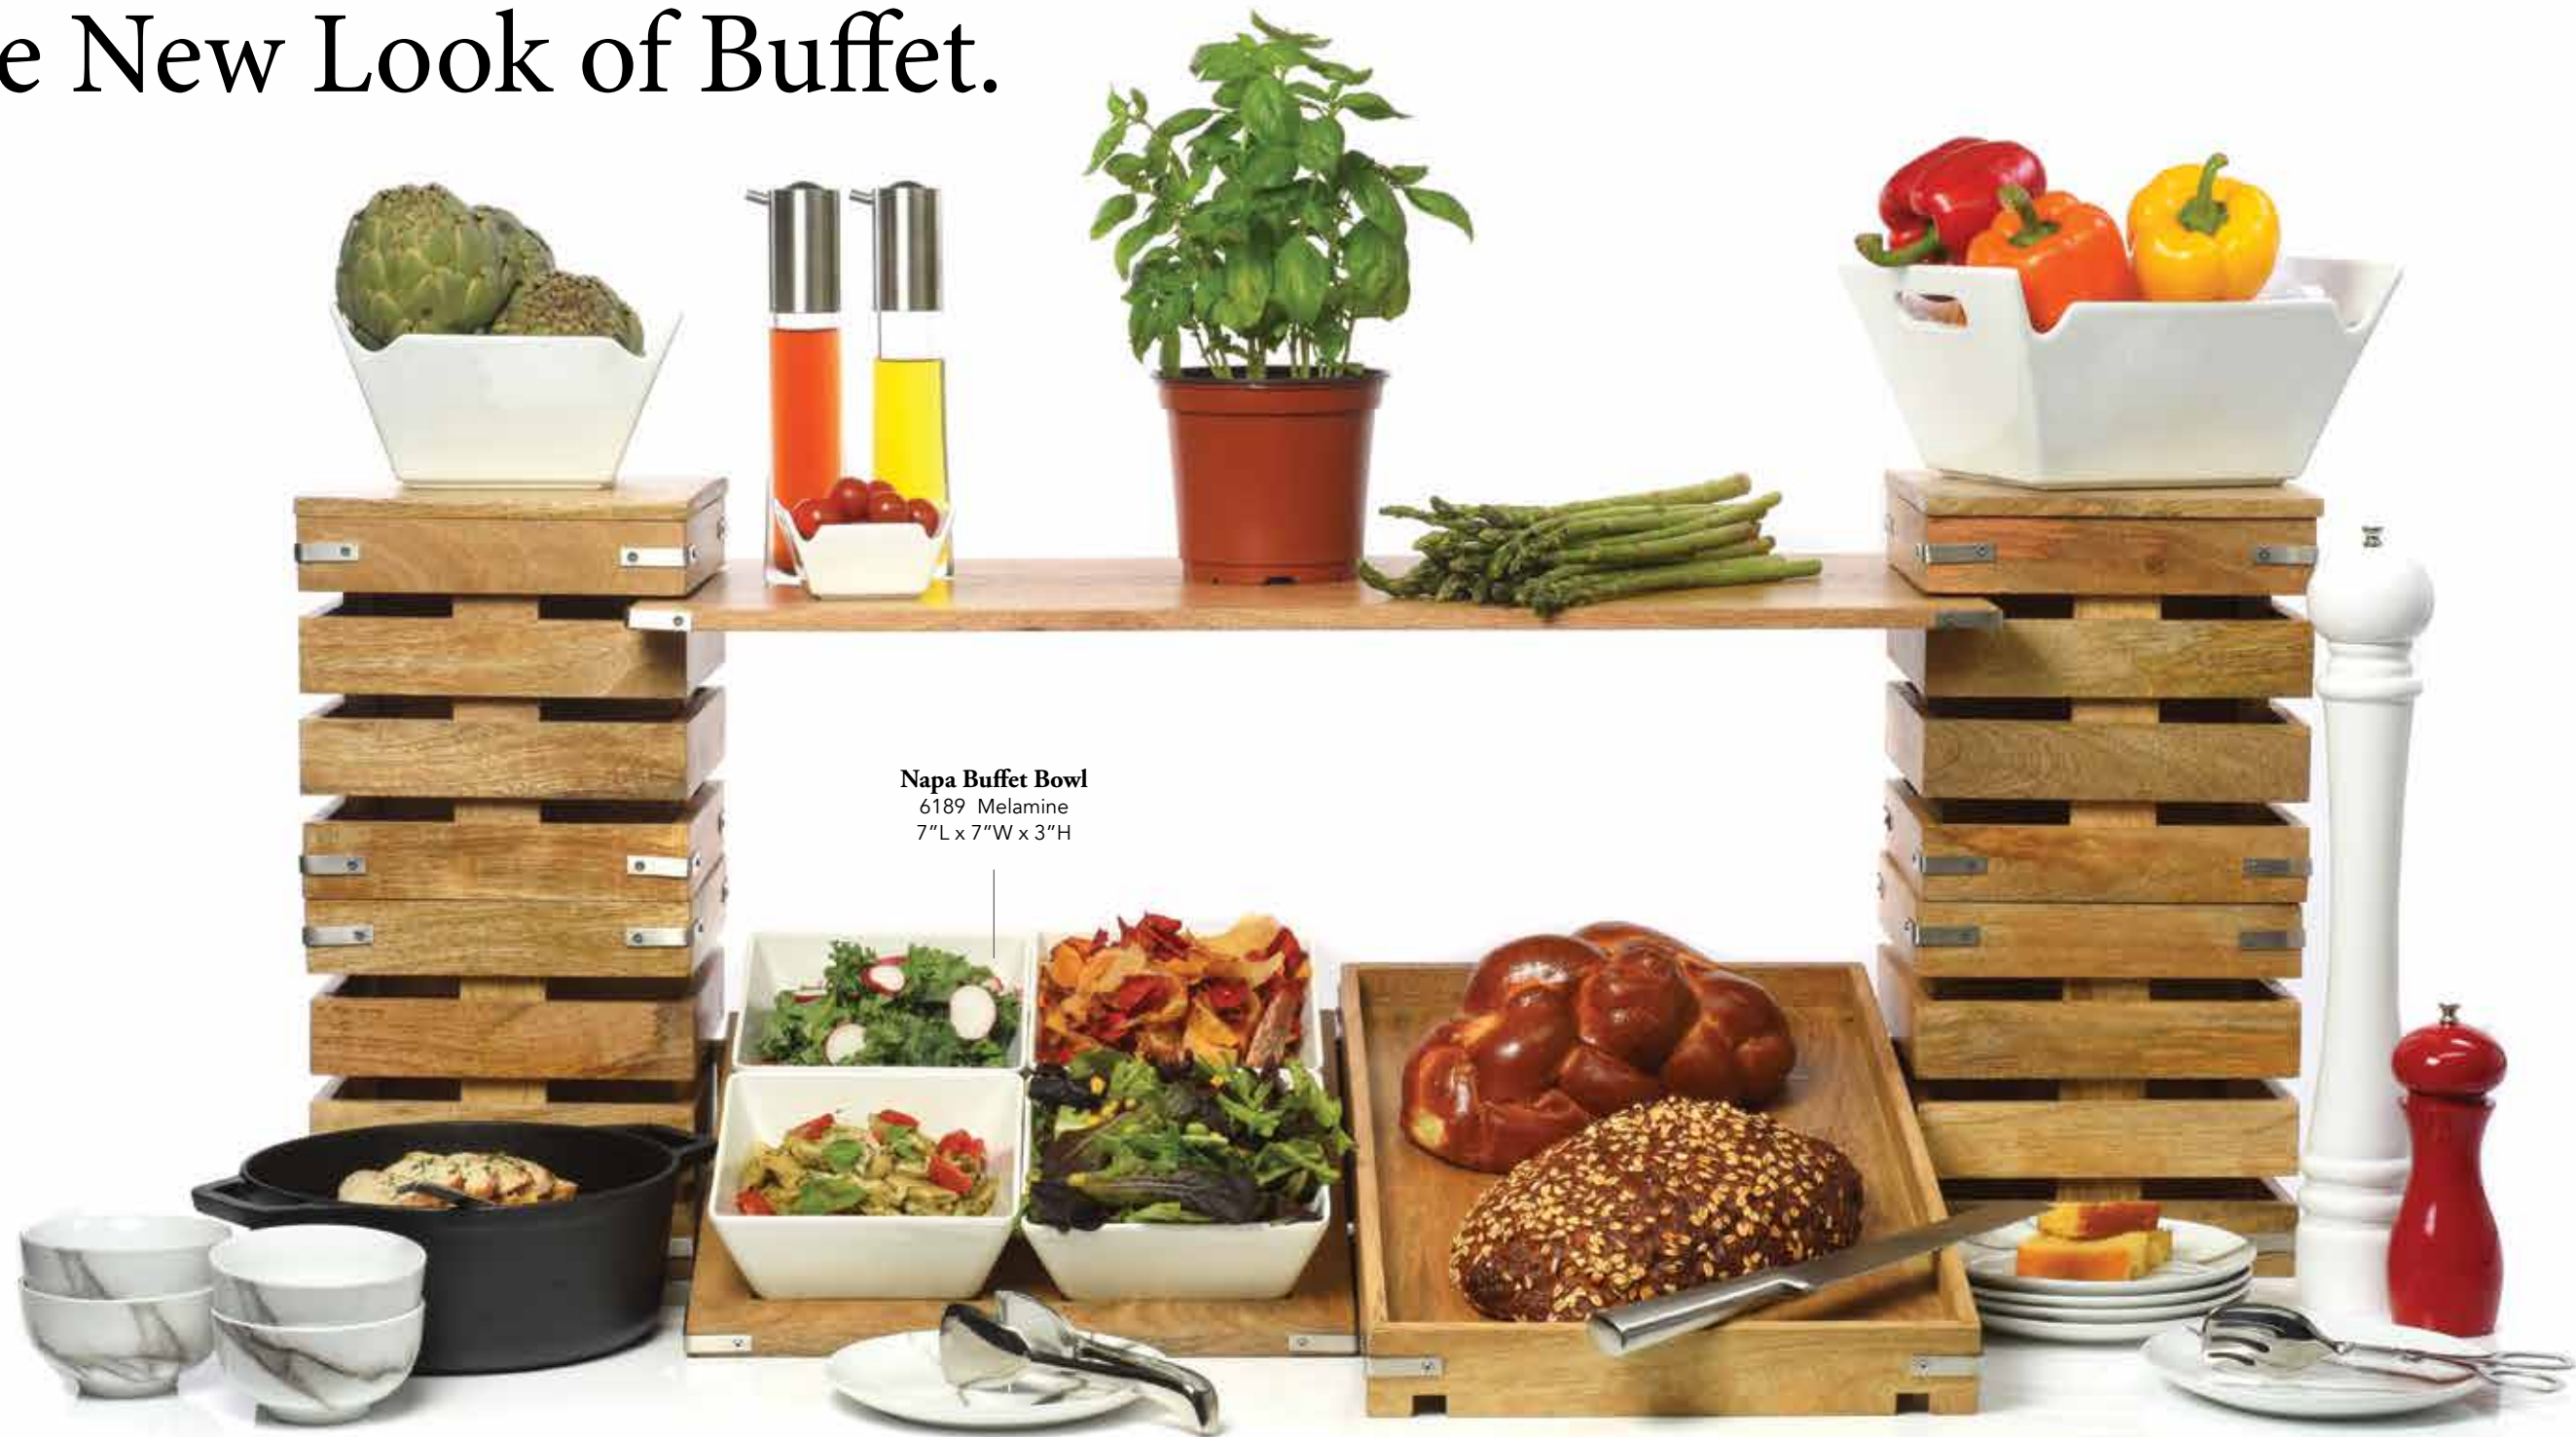

Rob Berman

Minimum opening order is \$250 and any reorder is \$100. Backorders may be shipped without notice within six months of order ship date. Credit card orders will be processed using the credit card provided by client at time of placing or confirming the order, unless the client specifically requests in writing that the credit card not be kept on file. Clients may place orders via fax, email or by telephone, in which case any charges will be posted to a credit card kept on file (unless specifically requested otherwise by the client in writing).

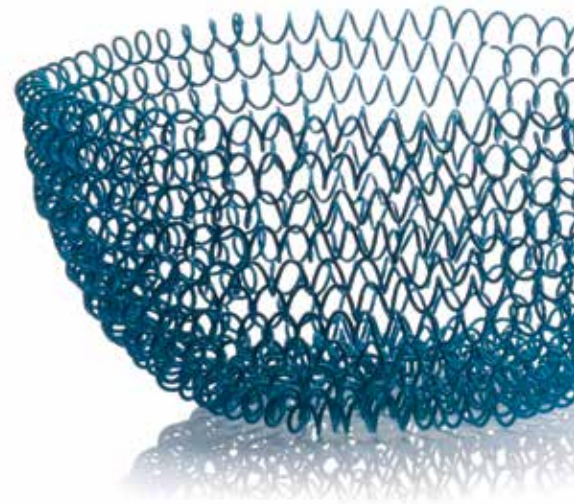

IMPULSE! reserves the right to increase quantities to meet our case pack requirements. IMPULSE! will do its best to ship goods within seven days of receipt of payment. We accept VISA, MasterCard and American Express. Hospitality clients may apply for credit terms by faxing trade and bank references to ATTN: ACCOUNTING DEPT. +1 954 957 9902. Please allow up to 2 weeks for term submission requests.

Orders are shipped FOB Deerfield Beach, FL (USA) by the most efficient means as determined by IMPULSE! We are not responsible for breakage that may occur after your shipment has left our facility. We will, of course, do our best to pack our items with care to prevent breakage, but we cannot control mishandling by carriers. Any damage or loss must be claimed by the recipient with the carrier. No return will be accepted without IMPULSE! authorization. Packaging should be held onto and not discarded if there is breakage for claims purposes. Store credit may be granted for items returned in saleable condition, subject to a restocking fee of 20%. If an invoice remains unpaid for 30 days following the date of invoice, late charges of 2% per month (or the maximum rate allowed by Florida law) will be charged until the account is paid in full. Accounts more than 60 days past due will be sent to collections. Client agrees to pay all collection costs and attorney's fees.

Many IMPULSE! products are handcrafted. As a result our products will have slight variations in color, texture, and finish. These variations are not considered damages or defects and returns will not be accepted. If a client feels that they have received defective goods, or if for any reason a client decides to cancel an order after it has been processed by IMPULSE!, the client will be responsible for all freight costs to send and / or return the goods, plus a 20% restocking fee. If the client decides to return goods that the client feels are defective, the client will be responsible for all return freight costs. IMPULSE! will in good faith inspect any goods received, and if the goods are considered to be defective by IMPULSE!, the client will receive store credit for the goods returned as well as return freight.
